121 APPROVED AS CERTIFIED PUBLIC ACCOUNTANTS

Raleigh—On August 24, 2015, the North Carolina State Board of Certified Public Accountant Examiners approved 121 applicants for licensure as Certified Public Accountants (CPAs) in the State of North Carolina.

Applicants for licensure are required to pass the Uniform CPA Examination and satisfy the education, work experience, and moral character requirements of the Board. As part of the annual license renewal, a North Carolina CPA must complete at least 40 hours of Continuing Professional Education (CPE), including at least two hours of ethics education. North Carolina has more than 20,000 actively licensed CPAs.

Established by Chapter 93 of the North Carolina General Statutes, the State Board of CPA Examiners is an occupational licensing board that grants certificates of qualification as CPAs to those individuals who meet the statutory requirements. The Board also adopts and enforces the rules of professional ethics and conduct to be observed by CPAs in North Carolina. The Board, an independent State agency, is composed of seven members appointed by the Governor. Five members must be holders of valid and unrevoked NC CPA certificates as issued by the Board in accordance with the NC General Statutes. The remaining two members, who are not CPAs, represent the interests of the public-at-large.
