Justin David Gambill of Leland Licensed as North Carolina CPA

RALEIGH: On June 22, 2017, the North Carolina State Board of Certified Public Accountant (CPA) Examiners licensed Justin David Gambill of Leland, NC, as a CPA in the State of North Carolina.

Mr. Gamble was required to pass the Uniform CPA Examination and satisfy the education, work experience, and moral character requirements of the State of North Carolina before being eligible for licensure. A CPA licensed to practice in North Carolina must annually renew his or her license and complete at least 40 hours of Continuing Professional Education (CPE) each year.

About the Board

Established by Chapter 93 of the North Carolina General Statutes, the State Board of CPA Examiners is an occupational licensing board that grants certificates of qualification as CPAs to those individuals who meet the statutory requirements. The Board also adopts and enforces the rules of professional ethics and conduct to be observed by CPAs in North Carolina. An independent State agency, the Board is composed of seven members appointed by the Governor. Five members must be holders of valid and unrevoked NC CPA certificates as issued by the Board in accordance with the NC General Statutes. The remaining two members, who are not CPAs, represent the interests of the public-at-large. North Carolina has more than 21,000 CPAs with active licenses.
