

The seal of the North Carolina State Board of Certified Public Accountant Examiners is a circular emblem with a rope-like border. The outer ring contains the text "NORTH CAROLINA STATE BOARD OF CERTIFIED PUBLIC ACCOUNTANT EXAMINERS" in a serif font. At the top of the inner circle, the date "MAY 20, 1775" is inscribed. The central part of the seal features a classical figure, likely a personification of Justice or Truth, holding a scale and a sword. Below the figure is a cornucopia overflowing with various fruits and vegetables. At the bottom of the inner circle, the year "* 1925 *" is displayed.

2018 Annual CPA License Renewal

The Board anticipates that the 2018 online license renewal for individual CPAs will be ready in mid to late April. The General Assembly recently imposed new reporting requirements for all North Carolina occupational licensing boards. Those requirements must be incorporated into the annual licensing renewal form and that has delayed the opening of the 2018 CPA license renewal period.

When the renewal form is available, the Board will notify licensees through [Twitter](#), [Facebook](#) and the [Activity Review](#).
