EXPERIENCE AFFIDAVIT - SELF-EMPLOYED

If you are self-employed and are using that experience to obtain your North Carolina CPA certificate, you must provide notarized statements from five (5) different individuals or companies who have been your clients during the same period needed for certification. These individuals or companies must affirm you have performed accounting work full-time for the entire period. You must also submit copies of state or local privilege licenses for the same period you are using for the self-employed experience. If your state, county, or municipality does not require a privilege license, please submit copies of the Schedule C pages of your tax returns. Copies of your individual or firm registration documentation from another board of accountancy are not acceptable documentation of your experience. Please refer to 21 NCAC 08F .0401 for the rules on experience.
