Mr. Massey, on behalf of the Board members, thanked Mr. Winstead for his leadership as the Mid-Atlantic Regional Director and voiced his appreciation for Mr. Winstead's service.

Mr. Nance shared NASBA's recommendation for boards of accountancy to implement the Credit Relief Initiative, which will allow the Board to reinstate expired CPA Exam section credits to individuals whose scores expired during the official period of the pandemic. The Board expressed support for this recommendation and authorized Mr. Nance to restore lost credits to impacted candidates who meet the requirements and to notify those candidates of the update to their candidate history file so they can continue their journey to become a CPA.

PROPOSED RULES

TITLE 21 - OCCUPATIONAL LICENSING BOARDS AND COMMISSIONS
CHAPTER 08 – BOARD OF CERTIFIED PUBLIC ACCOUNTANT EXAMINERS

Notice is hereby given in accordance with G.S. 150B-21.2 that the Board of Certified Public Accountant Examiners intends to amend the rules cited as 21 NCAC 08F .0105 and .0401.

Link to agency website pursuant to G.S. 150B-19.1(c):
<https://nccpaboard.gov/>

Proposed Effective Date: April 1, 2024

Public Hearing:

Date: November 20, 2023

Time: 10:00 a.m.

Location: NC State Board of CPA Examiners, 1101 Oberlin Road, Suite 104, Raleigh, NC 27605

Reason for Proposed Action: *The proposed amendments to 08F .0105 is to move the score credit window from its current 18-month timeframe to a 30-month timeframe in line with the Uniform Accountancy Act and the timeframe being implemented for the Uniform CPA Exam across all jurisdictions nationwide. The proposed amendment to 08F .0401 is to return a qualifying statement that was recently removed from the rule in error. The NC general statutes allow experience to be earned both under the direct supervision of a licensed CPA or through other means including obtaining 4 years of experience in the field of accounting. The removal of the qualifying clause "to be under the direct supervision of a CPA" appears to indicate that all experience that is required shall be under the direct supervision of a CPA, eliminating the alternative options. Reinsertion of the qualifying clause will identify that the supervision earned under the direct supervision of a licensed CPA must occur under a CPA licensed within one of the US jurisdictions.*

Comments may be submitted to: David R. Nance, 1101 Oberlin Rd, Raleigh, NC 27605; phone (919) 733-4215; email dnance@nccpaboard.gov

Comment period ends: January 12, 2024

Procedure for Subjecting a Proposed Rule to Legislative Review: If an objection is not resolved prior to the adoption of the rule, a person may also submit a written objection to the Rules Review Commission. If the Rules Review Commission receives written and signed objections after the adoption of the Rule in accordance with G.S. 150B-21.3(b2) from 10 or more persons clearly requesting review by the legislature and the Rules Review Commission approves the rule, the rule will become effective as provided in G.S. 150B-21.3(b1). The Commission will receive written objections until 5:00 p.m. on the day following the day the Commission approves the rule. The Commission will receive letters via U.S. Mail, private courier service, or hand delivery to

1711 New Hope Church Road, Raleigh, North Carolina, or via email to oah.rules@oah.nc.gov. If you have any further questions concerning the submission of objections to the Commission, please review 26 NCAC 05 .0110 or call a Commission staff attorney at 984-236-1850.

(a) Passing Grades. A candidate shall pass all sections of the examination with a grade of 75 or higher on each section.

(b) Military Service. A candidate who is on active military service shall not have the time on active military service counted against Subparagraph (c)(1) of this Rule unless the candidate applies to take the examination during the active military service, in which case each month a candidate sits shall be counted toward Subparagraph (c)(1) of this Rule.

(c) A candidate is subject to the following conditioning requirements:

- (1) a candidate shall earn a passing grade on all sections of the examination within ~~an 18-month period;~~ a 30-month period;
- (2) a candidate may sit for any section of the examination individually and in any order;

- (5) the ~~18-month period~~ 30-month period begins on the date the first passing score is released to the candidate and concludes with the sit date of the final passed examination section, regardless of when the score is released by the examination vendors for the final passed section. A candidate, after earning credit for the initial passed section, must complete the remaining test sections of the examination by the last day of the ~~18-month period.~~ 30-month period. If all four sections of the examination are not passed

within the ~~18-month period~~, 30-month period, credit for any test section passed outside of the ~~18-month period~~ 30-month period shall expire; and

- (6) notwithstanding Subparagraphs (c)(1), (c)(4), and (c)(5) of this Rule, the period of time in which to pass all test sections of the examination may be extended by the Board upon a showing that the credit was lost by reason of circumstances beyond the testing candidate's control.

Authority G.S. 93-12(3); 93-12(4); 93-12(5).

SECTION .0400 - EXPERIENCE

21 NCAC 08F .0401 WORK EXPERIENCE REQUIRED OF CANDIDATES FOR CPA CERTIFICATION

(a) G.S. 93-12(5)(c) sets forth work experience alternatives, one of which is required of candidates applying for CPA certification. In connection with those requirements, the following provisions apply:

- (1) the work experience shall be acquired prior to the date a candidate applies for certification; and
- (2) all experience that is required to be under the direct supervision of a CPA shall be under the direct supervision of a licensed CPA on active status in one of the U.S. states or jurisdictions.

(b) The following provisions apply to all candidates seeking to meet the work experience requirement of G.S. 93-12(5)(c)(3) by working in the field of accounting:

- (1) One year of work experience is 52 weeks of full-time employment. The candidate is employed full-time when the candidate is expected by the employer to work for the employer at least 30 hours each week. Any other work is working part-time.
- (2) All weeks of actual full-time employment are added to all full-time equivalent weeks in order

to calculate how much work experience a candidate has acquired. Dividing that number by 52 results in the years of work experience the candidate has acquired.

- (3) Full-time-equivalent weeks are determined by the number of actual part-time hours the candidate has worked. Actual part-time hours do not include hours paid for sick leave, vacation leave, attending continuing education courses, or other time not spent directly performing accounting services. For each calendar week during which the candidate worked actual part-time hours of 30 hours or more, the candidate receives one full-time-equivalent week. The actual part-time hours worked in the remaining calendar weeks are added together and divided by 30. The resulting number is the additional number of full-time-equivalent weeks to which the candidate is entitled.

- (4) The candidate shall submit experience affidavits on a form provided by the Board from all of the relevant employers; provided that when such experience was not acquired while employed with a CPA firm, the candidate shall also submit details of the work experience and supervision on a form provided by the Board. Experience affidavits for part-time work shall contain a record of the actual part-time hours the candidate has worked for each week of part-time employment. Both the experience affidavit and the form for additional detail shall be certified by the employer's office supervisor or an owner of the firm who is a certificate holder.

(c) Rule .0409 of this Section applies to teaching experience acquired pursuant to G.S. 93-12(5)(c)(2) and (4).

Authority G.S. 93-12(3); 93-12(5).

NORTH CAROLINA Office of Administrative Hearings

Overview of the Rules Review Process

G.S. 150B-21.3A requires all agencies, including commissions and occupational licensing boards, to conduct a review of the agency's rules every ten years, determining whether each rule is necessary or unnecessary. Agencies must post a report issued by the Rules Review Commission on the agency's website to invite public comments for at least 60 days on the determinations. A copy of the report is posted on the Office of Administrative Hearings' website. The agency is then required to respond to public comments by addressing the merits of each comment. After the comment period is over and the agency has had an opportunity to make its final determination, the agency sends the Commission a report of the determinations, public comments received, and the agency's responses.

Based upon a review of the public comments, the Commission determines whether it agrees with the agency's report classifying each rule as necessary or unnecessary. The Commission must also determine if the comment addresses the substance of the rule. If the RRC disagrees with the agency's determination, the Commission may move the classification of the rule to necessary. The Commission does not have the authority to declare that a rule is "unnecessary" if the agency has not already classified it as "unnecessary."

The Commission will then send a report to the Joint Legislative Administrative Procedure Oversight Committee ("APO") at the General Assembly. The Commission's determination will become final following consultation with the APO or on the 61st day after the report's submission. The APO may disagree with the Commission's determination and recommend to the General Assembly that the agency conduct a review of the rule the following year.

- (1) the concentration in accounting that shall be included in or supplement the bachelor's degree is already complete or is reasonably expected to be completed by the end of the school term within which the examination falls; and
 - (2) an applicant reasonably expects to receive the bachelor's degree within 120 days after the application is received by the Board. However, if the applicant fails to receive the degree within the specified time, the CPA examination grades shall not be released and if the applicant wishes to retake the examination, the applicant shall reapply.

21 NCAC 08F .0303 SEMESTER HOUR EQUIVALENT

One quarter hour of undergraduate study shall equal two-thirds of a semester hour.

SECTION .0400 - EXPERIENCE

21 NCAC 08F .0401 WORK EXPERIENCE REQUIRED OF CANDIDATES FOR CPA CERTIFICATION

(a) G.S. 93-12(5)(c) sets forth work experience alternatives, one of which is required of candidates applying for CPA certification. In connection with those requirements, the following provisions apply:

- (1) the work experience shall be acquired prior to the date a candidate applies for certification; and
- (2) all experience that is required shall be under the direct supervision of a licensed CPA on active status in one of the U.S. states or jurisdictions.

(b) The following provisions apply to all candidates seeking to meet the work experience requirement of G.S. 93-12(5)(c)(3) by working in the field of accounting:

- (1) One year of work experience is 52 weeks of full-time employment. The candidate is employed full-time when the candidate is expected by the employer to work for the employer at least 30 hours each week. Any other work is working part-time.
- (2) All weeks of actual full-time employment are added to all full-time equivalent weeks in order to calculate how much work experience a candidate has acquired. Dividing that number by 52 results in the years of work experience the candidate has acquired.
- (3) Full-time-equivalent weeks are determined by the number of actual part-time hours the candidate has worked. Actual part-time hours do not include hours paid for sick leave, vacation leave, attending continuing education courses, or other time not spent directly performing accounting services. For each calendar week during which the candidate worked actual part-time hours of 30 hours or more, the candidate receives one full-time-equivalent week. The actual part-time hours worked in the remaining calendar weeks are added together and divided by 30. The resulting number is the additional number of full-time-equivalent weeks to which the candidate is entitled.
- (4) The candidate shall submit experience affidavits on a form provided by the Board from all of the relevant employers; provided that when such experience was not acquired while employed with a CPA firm, the candidate shall also submit details of the work experience and supervision on a form provided by the Board. Experience affidavits for part-time work shall contain a record of the actual part-time hours the candidate has worked for each week of part-time employment. Both the experience

affidavit and the form for additional detail shall be certified by the employer's office supervisor or an owner of the firm who is a certificate holder.

(c) Rule .0409 of this Section applies to teaching experience acquired pursuant to G.S. 93-12(5)(c)(2) and (4).

21 NCAC 08F .0409 SATISFACTION OF EXPERIENCE REQUIREMENT BY TEACHING

(a) Teaching Experience. The requirement of "four years experience teaching accounting," G.S. 93-12(5), means teaching accounting full-time for four years.

- (1) Full-time teaching as described by the rules of the educational institution where the applicant taught will be accepted by the Board to be full-time teaching. However, in no case will less than 12 semester hours, or the equivalent, be accepted by the Board as full-time teaching.
- (2) If the applicant has not taught accounting full-time for four years, credit will be allowed by the Board for teaching accounting less than full-time on a pro rata basis based upon the number of semester hours required for full-time teaching at the educational institution where the applicant taught. However, in no case can an applicant receive credit for a full-time teaching year for teaching done in less than one academic year or more credit than one full-time teaching year for teaching done within one calendar year.
- (3) Courses outside the field of accounting will not be counted toward full-time teaching. Such courses include, but are not limited to: business law, finance, computer applications, personnel management, economics and statistics.
- (4) Of the four years of full-time teaching experience, teaching accounting principles (below intermediate accounting) cannot be counted toward the educational requirement for more than the equivalent of two full-time years. The remaining two full-time teaching years must be taught in at least two different areas of advanced accounting such as auditing, income tax, intermediate financial accounting or advanced managerial accounting, and the applicant must have taught at least nine semester hours, or the equivalent, in at least two of the different areas.

The purpose of this Subparagraph is to render unacceptable as meaningful experience both the continuous teaching of the elementary accounting course and the continuous teaching of the advanced courses in only one area of accounting.

(b) Required Information. Applicants must submit with their application a letter from each institution where they taught, certified by the applicant's dean or department head at that institution. The letter must state:

- (1) the number of credit hours which the applicant taught each year;
- (2) the names and academic level of the courses taught; and
- (3) the number of hours set by the rules of the institution as full-time teaching for each relevant year.

(c) Burden of Proof. An applicant having taught in an accredited community college or technical institute has the burden of proving that the credits earned by students taking those courses which the applicant taught would transfer to a four-year accredited college or university.

21 NCAC 08F .0410 EDUCATION REQUIRED OF CANDIDATES FOR CPA CERTIFICATION

(a) G.S. 93-12(5)(a) sets forth the education required of candidates applying for CPA certification. The 150 semester hours required include:

- (1) a concentration in accounting, as defined by 21 NCAC 08A .0309; and
- (2) 24 semester hours of coursework that includes one three semester hour course from at least 8 of the following 10 fields of study:
 - (A) communications;
 - (B) computer technology;
 - (C) economics;
 - (D) ethics;
 - (E) finance;
 - (F) humanities or social science;
 - (G) international environment;
 - (H) law;
 - (I) management; or
 - (J) statistics.

(b) Anyone applying for CPA certification who holds a Master's or more advanced degree in accounting, tax law, economics, finance, business administration, or a law degree from an accredited college or university is in compliance with Subparagraph (a)(2) of this Rule.

SECTION .0500 - APPLICATIONS FOR CERTIFICATES

21 NCAC 08F .0502 APPLICATION FOR CPA CERTIFICATE

- (a) A person applying for a certificate of qualification shall file with the Board an application and an experience affidavit on forms provided by the Board and supporting documentation to determine that the applicant has met the statutory and rule requirements. CPA certificate applications and fee information are on the Board's website at www.nccpaboard.gov or may be requested from the Board.
- (b) The application for a CPA certificate shall include three certificates of good moral character provided by the Board and completed by CPAs and the Board shall conduct a background check of the applicant including a check of criminal records.
- (c) An applicant shall include as part of any application for a CPA certificate a statement of explanation and a certified copy of final disposition if the applicant has been arrested, charged, convicted or found guilty of, received a prayer for judgment continued, or pleaded nolo contendere to any criminal offense. An applicant shall not be required to disclose any arrest, charge, or conviction that has been expunged by the court.
- (d) If an applicant has been denied any license by any state or federal agency, the applicant shall also include as part of the application for the CPA certificate a statement explaining such denial. An applicant shall include a statement of explanation and a certified copy of applicable license records if the applicant has been registered with or licensed by a state or federal agency and has been disciplined by that agency.
- (e) No application for a certificate shall be considered while the applicant is serving a sentence for any criminal offense. Serving a sentence includes incarceration, probation (supervised or unsupervised), parole, or conditionally suspended sentence, any of which are imposed as a result of having been convicted or having pled to a criminal charge.

21 NCAC 08F .0504 CANDIDATES' ACCOUNTANCY LAW COURSE REQUIREMENT

- (a) Within one year prior to applying for certification, all candidates for original or reciprocal certification must pass an open book examination on the North Carolina Accountancy Statutes and Rules, including the Rules of Professional Ethics and Conduct contained therein.
- (b) In lieu of taking the examination, a candidate may complete an eight-hour CPE course on the subject of the examination within one year prior to applying for the CPA certificate. Such course or examination must meet the requirements of 21 NCAC 08G .0404(a). This course may count toward the candidate's annual CPE requirement.

SUBCHAPTER 8G - CONTINUING PROFESSIONAL EDUCATION (CPE)

SECTION .0400 - CPE REQUIREMENTS

21 NCAC 08G .0401 CPE REQUIREMENTS FOR CPAS

- (a) In order for a CPA to receive credit for CPE activities:
- (1) the CPA shall attend or complete the activity and receive a certificate of completion as set forth in the Standards for CPE Program Sponsors in the NASBA/AICPA Statement on Standards for Continuing Professional Education (CPE) Programs, including subsequent amendments and editions, are hereby incorporated by reference. Copies of the Standards for CPE Program Sponsors can be found at no cost on the NASBA website at www.nasbaregistry.org/the-standards;
 - (2) the activity shall meet the requirements set out in Rule .0404 of this Section; and
 - (3) the activity shall increase the professional competency of the CPA.
- (b) An activity that increases the professional competency of a CPA shall be an activity in an area of the profession in which the CPA practices or is planning to practice, or in the area of professional ethics.
- (c) Because of differences in the education and experience of CPAs, an activity may contribute to the professional competence of one CPA but not another. Each CPA shall therefore exercise judgment in selecting activities for which CPE credit is claimed and choose only those that contribute to that CPA's professional competence.
- (d) Active CPAs shall complete 2,000 CPE minutes computed in accordance with Rule .0409 of this Section by December 31 of each year, except as follows:
- (1) CPAs having certificate applications approved by the Board in April to June shall complete 1,500 CPE minutes during the same calendar year;
 - (2) CPAs having certificate applications approved by the Board in July to September shall complete 1,000 CPE minutes during the same calendar year; or
 - (3) CPAs having certificate applications approved by the Board in October to December shall complete 500 CPE minutes during the same calendar year; and

Any CPE minutes completed during the calendar year in which the certificate application is approved may be used for that year's requirement even if the minutes were completed before the certificate was granted.

(e) A CPA shall complete a minimum of 50 CPE minutes annually in activities on regulatory or behavioral professional ethics and conduct. Ethics CPE shall be offered by a CPE sponsor registered with NASBA pursuant to Rule .0403(c) of this Section.

(f) There shall be no CPE requirements for inactive CPAs.

(g) When a CPA has completed more than the required number of minutes of CPE in any one calendar year, up to 1,000 minutes shall be carried forward and treated as minutes earned in the following year. Ethics CPE minutes may not be included in any carry forward minutes to meet the requirement of Paragraph (e) of this Rule. A CPA shall not claim CPE credit for activities taken in any year prior to the year of certification.

(h) Any CPE minutes used to satisfy the requirements for change of status as set forth in 21 NCAC 08J .0105, for reissuance as set forth in 21 NCAC 08J .0106, or for application for a new certificate as set forth in Rule 08I .0104 of this Chapter may be used to satisfy the annual CPE requirement set forth in Paragraph (d) of this Rule.

(i) It shall be the CPA's responsibility to maintain records substantiating the CPE credits claimed for the current year and for each of the four calendar years prior to the current year.

(j) A non-resident licensee may satisfy the annual CPE requirements in the jurisdiction where the CPA is licensed and currently works or resides. If there is no annual CPE requirement in the jurisdiction where the CPA is licensed and currently works or resides, the CPA shall comply with Paragraph (d) of this Rule. A non-resident licensee whose office is in North Carolina shall comply with Paragraph (e) of this Rule. All other non-resident licensees may satisfy Paragraph (e) of this Rule by completing the ethics requirements in the jurisdiction in which the non-resident licensee is licensed as a CPA and works or resides. If there is no ethics CPE requirement in the jurisdiction where the non-resident licensee is licensed and currently works or resides, the non-resident licensee shall comply with Paragraph (e) of this Rule.

21 NCAC 08G .0403 QUALIFICATION OF CPE SPONSORS

(a) The Board shall not register CPE activities nor sponsors or providers of CPE activities.

(b) CPE providers not in good standing on the NASBA National Registry of CPE Sponsors shall comply with the Standards for CPE Program Sponsors in the NASBA/AICPA Statement on Standards for Continuing Professional Education (CPE) Programs found on the NASBA website at www.nasbaregistry.org.

(c) Sponsors of continuing education activities that are listed in good standing on the NASBA National Registry of CPE Sponsors shall be considered by the Board as compliant with the Standards for CPE Program Sponsors in the NASBA/AICPA Statement on Standards for Continuing Profession Education (CPE) Programs found on the NASBA website at www.nasbaregistry.org.

(d) Failure of a National Registry of CPE Sponsor to comply with this Rule shall be grounds for the Board to disqualify the sponsor as a CPE sponsor with this Board and to notify NASBA and the public of this action.

21 NCAC 08G .0404 REQUIREMENTS FOR CPE CREDIT

(a) A CPA shall not be granted CPE credit for an activity unless the activity is in one of the fields of study listed in the NASBA Fields of Study, including subsequent amendments and editions, which are hereby incorporated by reference. Copies of the NASBA Fields of Study can be found at no cost on the NASBA website at www.nasbaregistry.org/the-standards.

(b) The following shall qualify as acceptable types of CPE activities, provided the activities comply with the requirements set forth in Rule .0403(b) or (c) of this Section:

- (1) professional development activities of national and state accounting organizations;
- (2) technical sessions at meetings of national and state accounting organizations and their chapters;
- (3) courses taken at regionally accredited colleges and universities;

- (5) correspondence activities that are designed and intended for continuing professional education.

(c) CPE credit shall be granted for instructing or authoring a CPE activity as long as the CPA's professional competency was increased and was in one of the fields of study recognized by the Board, as set forth in Paragraph (a) of this Rule.

(d) CPE credit shall not be granted for a self-study activity if the material that the CPA must study to take the examination is not designed for CPE purposes. This includes periodicals, guides, magazines, subscription services, books, reference manuals, and supplements that contain an examination to test the comprehension of the material read.

(e) A CPA may claim credit for an activity offered by a provider if the activity meets the requirements of this Rule and Rule .0409 of this Section. The CPA shall maintain documentation proving the activity met these standards.

21 NCAC 08G .0406 COMPLIANCE WITH CPE REQUIREMENTS

- (a) All active CPAs shall file a reporting of CPE minutes by the July 1 renewal date of each year. The Board may audit information submitted by licensees who apply for a renewal license.
- (b) If a CPA fails to complete the CPE requirements prior to the end of the previous calendar year but the CPA has completed them by June 30, the Board may:
 - (1) issue a letter of warning for the first such failure within a five-calendar year period; and
 - (2) deny the renewal of the CPA's certificate for a period of not less than 30 days and until the CPA meets the reinstatement requirements set forth in 21 NCAC 08J .0106 for the second such failure within a five-calendar year period.

21 NCAC 08G .0409 COMPUTATION OF CPE CREDITS

- (a) Group Activity. CPE credit for a group activity shall be given based on contact minutes.
- (b) Completing a College Course. CPE credit for completing a college course in the college curriculum shall be granted based on converting the number of credit hours the college gives the CPA for completing the course into minutes. One semester hour of college credit shall be 750 CPE minutes. No CPE credit shall be given to a CPA who audits a college course. No more than 50 percent of the CPE credits required for a year shall be credits for completing a college course.
- (c) Self Study Activity. CPE credit for a self-study activity shall be given based on the number of minutes needed to complete the activity as determined by the sponsor.
- (d) Preparing or Presenting a CPE Activity. CPE credit for preparing or presenting a CPE activity for CPAs shall be given based on the number of minutes spent in preparing or presenting the activity. Preparing includes activities such as authoring or conducting a technical review. No more than 50 percent of the CPE credits required for a year shall be credits for preparing for or presenting CPE activities. CPE credit for preparing or presenting an activity shall be allowed only once a year for an activity prepared or presented more than once in the same year by the same CPA.
- (e) Authoring a Publication. CPE credit for published articles and books shall be given based on the number of minutes the CPA spent writing the article or book. No more than 25 percent of a CPA's required CPE credits for a year shall be credits for published articles or books. An article written for a CPA's client or business newsletter shall not receive CPE credit.
- (f) Instructing a College Course. CPE credit for instructing a college course above the level of accounting principles shall be given based on the number of credit hours the college gives a student for completing the course, using the calculation set forth in Paragraph (b) of this Rule. No more than 50 percent of the CPE credits required for a year shall be credits for instructing a college course.
- (g) Nano Learning Activity. CPE credit for Nano Learning, a tutorial activity without interaction with a real-time instructor that is designed to permit a participant to learn a given subject through electronic media including technology applications/processes, computer-based or web-based technology, shall be based on the number of contact minutes. Nano Learning is not a group program. This CPE activity shall be offered by a CPE sponsor registered with NASBA pursuant to Rule .0403(c) of this Section.
- (h) Blended Learning Activity. A Blended Learning program offers participants learning in multiple formats or delivery methods. The primary component of the program may be concurrent (a group program) or nonconcurrent, allowing the participant to control a portion of the time and place of the learning. CPE credit for Blended Learning shall be based on the number of contact minutes incorporated in all the learning formats in the Blended Learning activity. This CPE activity shall be offered by a CPE sponsor registered with NASBA pursuant to Rule .0403(c) of this Section.
- (i) No more than 50 percent of the CPE credits required for a year shall be credits claimed under Paragraphs (b), (d), and (f) of this Rule.

The Professional Standards Committee shall determine whether the allegations in a case warrant applying to the courts for injunctive relief and whether the allegations in the proposed Hearing Notice, if proven, warrant a contested case proceeding pursuant to G.S. 150B-38 - 150B-42. A copy of any Hearing Notice filed and application for injunctive relief applied for shall be provided to the complainant in that matter.

- (d) The Board shall notify the complainant and the respondent in any complaint filed with the Board of the disposition of the case and shall publish or announce the disciplinary action against a CPA.

(c) "Good cause" as used in Paragraph (b) of this Rule means that the applicant is rehabilitated with respect to the conduct that was the basis of the discipline. Evidence demonstrating such rehabilitation shall include evidence that:

- (1) the person has not engaged in any conduct during the discipline period that, if that person had been licensed or registered during such period, would have constituted the basis for discipline pursuant to G.S. 93-12(9);
- (2) the person has completed the sentence imposed with respect to any criminal conviction that constituted any part of the previous discipline; and
- (3) restitution has been made to any aggrieved party with respect to a court order, civil settlement, lien or other agreement.

(d) In determining good cause, the Board may consider all of the applicant's activities since the disciplinary penalty was imposed, the offense for which the applicant was disciplined, the applicant's activities during the time the applicant was in good standing with the Board, the applicant's rehabilitative efforts, restitution to damaged parties in the matter for which the penalty was imposed, and the applicant's general reputation for truth and professional probity. (h) As a condition for a new certificate or modification of discipline, the Board may impose terms and conditions it considers suitable to ensure the licensee's or CPA firm's future compliance with the statutory and rule requirements of the Board including the rules of Professional Ethics and Conduct as set forth in 21 NCAC 08N.

21 NCAC 08I .0105 REVOCATION OF CERTIFICATES

Completed renewal application packages shall be postmarked with proper postage not later than 30 days after the mailing date of the demand letter, unless that date falls on a weekend, in which case the renewal package shall be postmarked or received in the Board office on the next business day. For renewal packages sent via the U.S. Postal Service, only a U.S. Postal Service cancellation shall be considered as the postmark. 21 NCAC 08N .0303 OBJECTIVITY AND CONFLICTS OF INTEREST

- (a) **Personal Financial Interest in Advice.** When offering or rendering accounting or related financial, tax, or management advice, a CPA shall be objective and shall not place the CPA's own financial interests nor the financial interests of a third party ahead of the legitimate financial interests of the CPA's client or the public in any context in which a client or the public can reasonably expect objectivity from one using the CPA title.
- (b) **Expectation of Objectivity Presumed.** If the CPA uses the CPA title in any way to obtain or maintain a client relationship, the Board shall presume the reasonable expectation of objectivity.
- (c) **Acceptance of a Commission or Referral Fee.** A CPA shall not recommend or refer to a client any product or service for a commission; recommend or refer any product or service to be supplied by a client; or receive a commission, when the CPA also performs the following for the client:
 - (1) an audit or review of a financial statement;
 - (2) a compilation of a financial statement when the CPA expects, or reasonably might expect, that a third party will use the financial statement and the CPA's compilation report does not disclose a lack of independence; or
 - (3) an examination of prospective financial information.

This prohibition applies during the period in which the CPA is engaged to perform any of the services listed in Paragraph (c) of this Rule and the period covered by any historical financial statements involved in such listed services.

- (d) **Acceptance of a Contingent Fee.**
 - (1) The offering or rendering of professional services for, or the receipt of, a contingent fee by a CPA shall not be prohibited except for engaging to render or rendering by a CPA:
 - (A) of professional services for any person for whom the CPA also performs attest services, during the period of the attest services engagement, and the period covered by any historical financial statements involved in such attest services; and
 - (B) for the preparation of original or amended tax returns or claims for tax refunds.
 - (2) Fees shall not be regarded as being contingent if fixed by courts or other public authorities or, in tax matters, if determined based on the results of judicial proceedings or the findings of governmental agencies.
- (e) A CPA shall communicate in advance to a client the scope of services or products to be rendered or referred for which the CPA will receive a commission, referral, or contingent fee. A CPA shall provide disclosure in a written statement within ten business days of the service or product to be rendered or referred with the commission, referral, or contingent fee to be charged or received by the CPA.

21 NCAC 08N .0304 CONSULTING SERVICES STANDARDS

- (a) **Standards for Consulting Services.** A CPA shall not render consulting services unless the CPA has complied with the Statements on Standards for Consulting Services.
- (b) **Statements on Standards for Consulting Services.** The Statements on Standards for Consulting Services including the definition of such services issued by the AICPA are incorporated by reference, including subsequent amendments and editions. This document may be accessed at <https://www.aicpa.org/resources/download/statement-on-standards-for-consulting-services-no-1> at no cost.

21 NCAC 08N .0305 RETENTION OF CLIENT RECORDS

- (a) A CPA shall return client-provided records in the CPA's custody or control to the client at the client's request. Client-provided records are accounting or other records, including hardcopy and electronic reproductions of such records, belonging to the client that were provided to the CPA by, or on behalf of, the client.
- (b) Unless a CPA and the client have agreed to the contrary, when a client makes a request for CPA prepared records or a CPA's work products that are in the CPA's custody or control that have not previously been provided to the client, the CPA shall respond to the client's request as follows:
 - (1) The CPA shall provide CPA prepared records relating to a completed and issued work product to the client, except that such records may be withheld if fees are due to the CPA for that specific work product; and

- (2) The CPA's work products shall be provided to the client, except that such work products may be withheld:
 - (A) if fees are due to the CPA for the specific work product;
 - (B) if the work product is incomplete;
 - (C) if for purpose of complying with professional standards. For example, withholding an audit report due to outstanding audit issues; or
 - (D) if threatened or outstanding litigation exists concerning the engagement or CPA's work.
- (c) CPA prepared records are accounting or other records that the CPA was not specifically engaged to prepare and that are not in the client's books and records or are otherwise not available to the client, thus rendering the client's financial information incomplete. Examples include adjusting, closing, combining, or consolidating journal entries including computations supporting such entries and supporting schedules and documents that the CPA proposed or prepared as part of an engagement, an audit being an example. CPA's work products are deliverables set forth in the terms of the engagement, such as tax returns.
- (d) Once a CPA has complied with the requirements described in Paragraphs (a) and (b) of this Rule, he or she shall not be under any further ethical obligation to:
 - (1) comply with any subsequent requests to again provide records or copies of records described in Paragraphs (a) and (b) of this Rule. If subsequent to complying with a request, a client experiences a loss of records due to a natural disaster, the CPA shall comply with an additional request to provide such records that are in possession of the CPA; and
 - (2) retain records for periods that exceed applicable professional standards, state and federal statutes and regulations, and contractual agreements relating to the service performed.
- (e) A CPA who has provided records to an individual designated or held out as the client's representative, such as the general partner, or majority shareholder, shall not be obligated to provide such records to other individuals associated with the client. However, in the case of joint individual tax returns, each named taxpayer on that return shall be entitled to a copy of the tax returns and supporting schedules from the CPA.
- (f) Work papers shall be the CPA's property, and the CPA is not required to provide such information to the client. However, state and federal statutes and regulations and contractual agreements may impose additional requirements on the CPA.
- (g) In fulfilling a request for client provided records, CPA prepared records, or a CPA's work products, the CPA may:
 - (1) charge the client a fee for the time and expense incurred to retrieve and copy such records and require that the client pay the fee before the CPA provides the records to the client;
 - (2) provide the requested records in any format usable by the client. The CPA is not required to convert records that are not in electronic format to electronic format. If the client requests records in a specific format and the records are available in such format within the CPA's custody and control, the client's request shall be honored. In addition, the CPA is not required to provide the client with formulas, unless the formulas support the client's underlying accounting or other records or the CPA was engaged to provide such formulas as part of a completed work product. The CPA is not required to provide electronic data files to a client if they were created with tax preparation software owned or licensed by the CPA; and
 - (3) make and retain copies of any records that the CPA returned or provided to the client.
- (h) A CPA who is required to return or provide records to the client shall comply with the client's request as soon as practicable, but no later than 45 days after the request is made.

21 NCAC 08N .0306 ADVERTISING OR OTHER FORMS OF SOLICITATION

- (a) Deceptive Advertising. A CPA shall not seek to obtain clients by advertising or using other forms of solicitation in a manner that is deceptive.
- (b) Specialty Designations. A CPA may advertise the nature of services provided to clients, but the CPA shall not advertise or indicate a specialty designation or other title unless the CPA has met the requirements of the granting organization for the separate title or specialty designation and the individual is currently on active status and in good standing with the granting organization for the separate title or specialty designation.
- (c) The CPA firm shall offer to perform or perform professional services only in the exact name of the CPA firm as registered with the Board. The exact CPA firm name as registered with the Board shall be used on the following documents:

Nicola Neilon, CPA, Chair
NASBA Uniform Accountancy Act Committee
NASBA – UAA
150 4th Avenue North, Suite 700
Nashville, Tennessee 37219-2417

Dear Committee Members:

The North Carolina State Board of CPA Examiners (Board) has reviewed the Exposure Draft identifying proposed revisions to the Uniform Accountancy Act's Model Rules that pertain to peer review. The exposure draft proposes revisions to Uniform Accountancy Act (UAA) Model Rule 7-4 – *Enrollment in Board-Approved Peer Review Program* and Rule 7-5 – *Submission of Peer Review Documents* that incorporate additional documents and information that should be shared by CPA firms within the AICPA's Facilitated State Board Access (FSBA) along with the requirement that CPA firms shall allow accountancy boards access to that information through the FSBA process.

The Board is supportive of these proposed changes. The update to Rule 7-5(c) identifies required information that will need to be provided by CPA firms related to the peer review processes. That required information provides more specificity to the timeline of the CPA firm's peer review engagement which should assist Board staff with its monitoring requirements for CPA firms participating in the peer review process. While a formal structure exists for peer review activities, there are times when unexpected delays disrupt that process. As the Board does not formally engage with CPA firms until the completion of the peer review process, the proposed changes will provide Board staff with additional tools to more accurately monitor the peer review status of CPA firms as they move through the peer review process.

Currently, as much as 2 years can pass from the due date of a peer review before the review is considered complete, especially in cases where remedial action is necessary. An additional measure that would help Board staff proactively monitor the peer review process would be a digital dashboard/timeline in FSBA that would allow State Board staff to know where an on-going peer review is in the process. Because the completion of a peer review can take considerable time, Board staff would have a better understanding of what documents will be produced during the review, and when those documents might be available.

The update to Rule 7-5(d) mirrors a regulatory rule change that was recently implemented by the Board to ensure FSBA access by Board staff. The previous version of the Rule identified that firms could satisfy the document submission requirement by allowing accountancy boards access to the information through the FSBA process. The updated Rule provides that CPA firms "shall allow" such access through the FSBA process. CPA firms have previously had the choice to "opt-out" of sharing such information within the FSBA system. The update to this Rule would ensure

accountancy boards will have access to the documents and objective information via the FSBA secure website process.

The Board appreciates the opportunity to provide comments as part of the proposed changes to the UAA. The Board also appreciates the AICPA's and NASBA's joint efforts to maintain the UAA as a relevant, uniform model act.

Sincerely,

Gary R. Massey, CPA
President

Proposed Amendments to the UAA Model Rules

 nasba.org/blog/2023/10/31/proposed-amendments-to-the-uaa-model-rules-2

As approved by the NASBA Board of Directors, we are releasing for a 60-day comment period, proposed revisions to the Uniform Accountancy Act's Model Rules that pertain to peer review. These revisions were developed by the NASBA Peer Review Compliance Committee (PRCC), working with AICPA's peer review staff, and reviewed and edited by the NASBA Uniform Accountancy Act Committee, which recommended them to the NASBA Board for public comment.

The following proposed revisions to the UAA Rules incorporate the additional documents and objective information to existing UAA Rules 7-4 and 7-5 related to the AICPA's Facilitated State Board Access (FSBA). It identifies applicable documents/information, when they are due to be submitted, and how they are submitted. The proposed UAA language requires firms to submit these documents and objective information to the board of accountancy and shall allow the administering entity to provide the board access to the documents and objective information via a secure website process such as FSBA.

Rule 7-4(a) was amended to include a reference to Rule 7-5(b) through 7-5(d). A comment following Rule 7-4(a) was deleted because it was outdated. Rule 7-5(e) was amended to clarify when a letter from the administering entity is due to the board of accountancy and adds references to Rule 7-5(b) through 7-5(d).

The title to Rule 7-5 was modified to add the term "and objective information." Further clarification was added to the comment following Rule 7-5(a) and the 30-day submission period was added to Rule 7-5(b). These changes allowed for Rule 7-5(c) to be deleted as written and replaced with a list of documents and objective information to be provided by the firm to the board of accountancy.

Minor wording changes in Rule 7-5(d), including the addition of the term "and objective information" are consistent with other changes in Rule 7-5.

We believe these changes will provide guidance for State Boards and firms in the years ahead. We encourage the State Boards and other interested parties to consider these proposed changes and send any comments or recommendations to the UAA Committee via uaacomment@nasba.org by January 2, 2024.
