STATE CPA BOARD APPROVES 115 INDIVIDUALS FOR NC CPA LICENSURE

RALEIGH: The North Carolina State Board of Certified Public Accountant (CPA) Examiners is pleased to announce that it approved 115 individuals (see attached list) for North Carolina CPA licensure on November 17, 2025.

To qualify for CPA licensure, an applicant must pass the Uniform CPA Examination and meet the State's education, work experience, and moral character requirements. CPAs licensed to practice in North Carolina must renew their license each year and complete at least 40 hours of Continuing Professional Education (CPE), including one hour of ethics training.

About the Board

Established by Chapter 93 of the North Carolina General Statutes, the State Board of CPA Examiners is an occupational licensing board that grants certificates of qualification as Certified Public Accountants (CPAs) to individuals who meet the statutory requirements. The Board also adopts and enforces the rules of professional ethics and conduct to be observed by CPAs in North Carolina. Members of the Board are appointed by the Governor and serve three-year terms. Five members must be holders of valid and unrevoked NC CPA certificates issued by the Board under the NC General Statutes. The remaining two members, who are not CPAs, represent the interests of the public at large.
