- (1) the work experience shall be acquired prior to the date a candidate applies for certification; and
- (2) all experience that is required to be under the direct supervision of a CPA shall be under the direct supervision of a licensed CPA on active status in one of the U.S. states or jurisdictions.

(b) The following provisions apply to all candidates seeking to meet the work experience requirement of G.S. 93-12(5)c.3. by working in the field of accounting:

- (1) One year of work experience is 52 weeks of full-time employment. The candidate is employed full-time when the candidate is expected by the employer to work for the employer at least 30 hours each week. Any other work is working part-time.
- (2) All weeks of actual full-time employment are added to all full-time equivalent weeks in order to calculate how much work experience a candidate has acquired. Dividing that number by 52 results in the years of work experience the candidate has acquired.
- (3) Full-time-equivalent weeks are determined by the number of actual part-time hours the candidate has worked. Actual part-time hours do not include hours paid for sick leave, vacation leave, attending continuing education courses, or other time not spent directly performing accounting services. For each calendar week during which the candidate worked actual part-time hours of 30 hours or more, the candidate receives one full-time-equivalent week. The actual part-time hours worked in the remaining calendar weeks are added together and divided by 30. The resulting number is the additional number of full-time-equivalent weeks to which the candidate is entitled.
- (4) The candidate shall submit experience affidavits on forms provided by the Board from all of the relevant employers as identified by Rule .0411 of this section. If the experience was obtained while working under the supervision of a CPA, then the supervising CPA must sign the affidavit. The affidavit will confirm the dates of employment for the CPA and the type of duties assigned to the applicant. The affidavit does not require the supervising CPA to state an opinion regarding the applicant's competency or the quality of the applicant's work. If the experience was not acquired while employed with a CPA firm, the candidate shall also submit details of the work experience and supervision on a form provided by the Board. Experience affidavits for part-time work shall contain a record of the actual part-time hours the candidate has worked for each week of part-time employment. Both the experience affidavit and the form for additional detail shall be certified by the employer's office supervisor or an owner of the firm who is a certificate holder.

(c) Rule .0409 of this Section applies to teaching experience acquired pursuant to G.S.93-12(5)c.2 and 4.

21 NCAC 08F .0409 SATISFACTION OF EXPERIENCE REQUIREMENT BY TEACHING

(a) Teaching Experience. The requirement of "four years experience teaching accounting," G.S. 93-12(5), means teaching accounting full-time for four years.

- (1) Full-time teaching as described by the rules of the educational institution where the applicant taught will be accepted by the Board to be full-time teaching. However, in no case will less than 12 semester hours, or the equivalent, be accepted by the Board as full-time teaching.
- (2) If the applicant has not taught accounting full-time for four years, credit will be allowed by the Board for teaching accounting less than full-time on a pro rata basis based upon the number of

semester hours required for full-time teaching at the educational institution where the applicant taught. However, in no case can an applicant receive credit for a full-time teaching year for teaching done in less than one academic year or more credit than one full-time teaching year for teaching done within one calendar year.

- (3) Courses outside the field of accounting will not be counted toward full-time teaching. Such courses include, but are not limited to: business law, finance, computer applications, personnel management, economics and statistics.
- (4) Of the four years of full-time teaching experience, teaching accounting principles (below intermediate accounting) cannot be counted toward the educational requirement for more than the equivalent of two full-time years. The remaining two full-time teaching years must be taught in at least two different areas of advanced accounting such as auditing, income tax, intermediate financial accounting or advanced managerial accounting, and the applicant must have taught at least nine semester hours, or the equivalent, in at least two of the different areas.

(b) Required Information. Applicants must submit with their application a letter from each institution where they taught, certified by the applicant's dean or department head at that institution. The letter must state:

- (1) the number of credit hours which the applicant taught each year;
- (2) the names and academic level of the courses taught; and
- (3) the number of hours set by the rules of the institution as full-time teaching for each relevant year.

(c) Burden of Proof. An applicant having taught in an accredited institution other than a four-year accredited college or university has the burden of proving that the credits earned by students taking those courses which the applicant taught would transfer to a four-year accredited college or university.

SECTION .0400 - CPE REQUIREMENTS

21 NCAC 08G .0401 CPE REQUIREMENTS FOR CPAS

(a) In order for a CPA to receive credit for CPE activities:

- (1) the CPA shall attend or complete the activity and receive a certificate of completion as set forth in the Standards for CPE Program Sponsors in the NASBA/AICPA Statement on Standards for Continuing Professional Education (CPE) Programs, including subsequent amendments and editions, that are hereby incorporated by reference. Copies of the Standards for CPE Program Sponsors can be found at no cost on the NASBA website at www.nasbaregistry.org/the-standards;
- (2) the activity shall meet the requirements set out in Rule .0404 of this Section; and
- (3) the activity shall increase the professional competency of the CPA.

(b) An activity that increases the professional competency of a CPA shall be an activity in an area of the profession in which the CPA practices or is planning to practice, or in the area of professional ethics.

(c) Because of differences in the education and experience of CPAs, an activity may contribute to the professional competence of one CPA but not another. Each CPA shall therefore exercise judgment in selecting activities for which CPE credit is claimed and choose only those that contribute to that CPA's professional competence. Courses that cover substantially the same content, learning objectives, and materials as a course the CPA has already completed and received credit for within the certification cycle, regardless of the format or provider, are considered duplicate courses and do not qualify for additional CPE credit.

(d) Active CPAs shall complete 2,000 CPE minutes computed in accordance with Rule .0409 of this Section by December 31 of each year, except as follows:

- (1) CPAs having certificate applications approved by the Board in April to June shall complete 1,500 CPE minutes during the same calendar year;
- (2) CPAs having certificate applications approved by the Board in July to September shall complete 1,000 CPE minutes during the same calendar year; or
- (3) CPAs having certificate applications approved by the Board in October to December shall complete 500 CPE minutes during the same calendar year; and

Any CPE minutes completed during the calendar year in which the certificate application is approved may be used for that year's requirement even if the minutes were completed before the certificate was granted.

(e) A CPA shall complete a minimum of 50 CPE minutes annually in activities on regulatory or behavioral professional ethics and conduct. Ethics CPE shall be offered by a CPE sponsor registered with NASBA pursuant to Rule .0403(c) of this Section.

(f) There shall be no CPE requirements for inactive or CPA-retired CPAs.

(g) When a CPA has completed more than the required number of minutes of CPE in any one calendar year, up to 1,000 minutes shall be carried forward and treated as minutes earned in the following year. If an application for modification of discipline is denied, the person or CPA firm may re-apply three years thereafter.

(b) The application for modification of discipline shall be in writing and show good cause for the relief sought. (c) "Good cause" as used in Paragraph (b) of this Rule means that the applicant is rehabilitated with respect to the conduct that was the basis of the discipline. Evidence demonstrating such rehabilitation shall include evidence that:

- (1) the person has not engaged in any conduct during the discipline period that, if that person had been licensed or registered during such period, would have constituted the basis for discipline pursuant to G.S. 93-12(9);
- (2) the person has completed the sentence imposed with respect to any criminal conviction that constituted any part of the previous discipline; and
- (3) restitution has been made to any aggrieved party with respect to a court order, civil settlement, lien or other agreement.

(d) In determining good cause, the Board may consider all of the applicant's activities since the disciplinary penalty was imposed, the offense for which the applicant was disciplined, the applicant's activities during the time the applicant was in good standing with the Board, the applicant's rehabilitative efforts, restitution to damaged parties in the matter for which the penalty was imposed, and the applicant's general reputation for truth and professional probity. For the purpose of this Paragraph, "applicant" shall, in the case of a CPA firm, include CPA partners, CPA members, or CPA shareholders.

(e) Any person who applies for a modification of discipline and for a new certificate after revocation shall, in addition to the other requirements of this Section, comply with all qualifications and requirements for initial certification as identified by the Board that existed at the time of the original application.

Serving a sentence includes incarceration, probation (supervised or unsupervised), parole, or conditionally suspended sentence, any of which are imposed as a result of having been convicted or having pled to a criminal charge.

(g) An application shall be ruled upon by the Board on the basis of the recommendations and evidence submitted in support thereof. However, the Board may make additional inquiries of any person or persons, or request additional evidence it deems appropriate.

(h) As a condition for a new certificate or modification of discipline, the Board may impose terms and conditions it considers suitable to ensure the licensee's or CPA firm's future compliance with the statutory and rule requirements of the Board including the rules of Professional Ethics and Conduct as set forth in 21 NCAC 08N.

Client-provided records are accounting or other records, including hardcopy and electronic reproductions of such records, belonging to the client that were provided to the CPA by, or on behalf of, the client.

(b) Unless a CPA and the client have agreed to the contrary, when a client makes a request for CPA prepared records or a CPA's work products that are in the CPA's custody or control that have not previously been provided to the client, the CPA shall respond to the client's request as follows:

- (1) The CPA shall provide CPA prepared records relating to a completed and issued work product to the client, except that such records may be withheld if fees are due to the CPA for that specific work product; and

- (2) The CPA's work products shall be provided to the client, except that such work products may be withheld:
 - (A) if fees are due to the CPA for the specific work product;
 - (B) if the work product is incomplete;
 - (C) if for the purpose of complying with professional standards. For example, withholding an audit report due to outstanding audit issues; or
 - (D) if threatened or outstanding litigation exists concerning the engagement or CPA's work.
- (c) CPA prepared records are accounting or other records that the CPA was not specifically engaged to prepare and that are not in the client's books and records or are otherwise not available to the client, thus rendering the client's financial information incomplete. Examples include adjusting, closing, combining, or consolidating journal entries including computations supporting such entries and supporting schedules and documents that the CPA proposed or prepared as part of an engagement, an audit being an example. CPA's work products are deliverables set forth in the terms of the engagement.
- (d) Once a CPA has complied with the requirements described in Paragraphs (a) and (b) of this Rule, he or she shall not be under any further ethical obligation to:
 - (1) comply with any subsequent requests to again provide records or copies of records described in Paragraphs (a) and (b) of this Rule.  - (2) retain records for periods that exceed applicable professional standards, state and federal statutes and regulations, and contractual agreements relating to the service performed.
- (e) A CPA who has provided records to an individual designated or held out as the client's representative, such as the general partner, or majority shareholder, shall not be obligated to provide such records to other individuals associated with the client. However, in the case of joint individual tax returns, each named taxpayer on that return shall be entitled to a copy of the tax returns and supporting schedules from the CPA.
- (f) Work papers shall be the CPA's property, and the CPA is not required to provide such information to the client. However, state and federal statutes and regulations and contractual agreements may impose additional requirements on the CPA.
- (g) In fulfilling a request for client provided records, CPA prepared records, or a CPA's work products, the CPA may:
 - (1) charge the client a fee for the time and expense incurred to retrieve and copy such records and require that the client pay the fee before the CPA provides the records to the client;
 - (2) provide the requested records in any format usable by the client. The CPA is not required to convert records that are not in electronic format to electronic format. If the client requests records in a specific format and the records are available in such format within the CPA's custody and control, the client's request shall be honored. In addition, the CPA is not required to provide the client with formulas, unless the formulas support the client's underlying accounting or other records or the CPA was engaged to provide such formulas as part of a completed work product. The CPA is not required to provide electronic data files to a client if they were created with tax preparation software owned or licensed by the CPA; and
 - (3) make and retain copies of any records that the CPA returned or provided to the client.
- (h) A CPA who is required to return or provide records to the client shall comply with the client's request as soon as practicable, but no later than 45 days after the request is made.
