102 NORTH CAROLINA CANDIDATES PASS THE UNIFORM CPA EXAMINATION

Raleigh—The North Carolina State Board of Certified Public Accountant (CPA) Examiners is pleased to announce that 102 North Carolina candidates (see attached list) passed the Uniform CPA Examination (CPA Exam) in July 2026.

Passing the CPA Exam confirms that candidates have demonstrated the technical knowledge and professional skills required to protect the public interest and meet the standards for CPA licensure. In addition to passing the CPA Exam, individuals seeking licensure as CPAs in North Carolina must satisfy the State's education, professional experience, and moral character requirements.

The CPA Exam underwent significant changes in January 2024. Before that date, candidates were required to pass four sections: Auditing and Attestation (AUD), Business Environment and Concepts (BEC), Financial Accounting and Reporting (FAR), and Regulation (REG).

Effective January 2024, the Exam transitioned to a Core + Discipline format. Under the updated structure, candidates must pass three Core sections: Auditing and Attestation (AUD), Financial Accounting and Reporting (FAR), and Taxation and Regulation (REG), as well as one Discipline section. Discipline options include Business Analysis and Reporting (BAR), Information Systems and Controls (ISC), and Tax Compliance and Planning (TCP).

About the Board

Established by Chapter 93 of the North Carolina General Statutes, the State Board of CPA Examiners is an occupational licensing board that grants certificates of qualification as CPAs to individuals who meet the statutory requirements. The Board also adopts and enforces the rules of professional ethics and conduct that CPAs in North Carolina must observe. Board members are appointed by the Governor and serve three-year terms. Five members must be holders of valid and unrevoked North Carolina CPA certificates issued by the Board, as per the North Carolina General Statutes. The remaining two members, who are not CPAs, represent the public at large.
